Mr. Crane,

I'm sorry it's taken so long for the EPA to get back to you about the hearing transcript. After consulting with our counsel, we were told that we could release the transcript of the public hearing for Roulette Oil & Gas (PAS2D050BPOT). However, our counsel did direct the UIC Program to redact Personal Identifiable Information from the transcript. I've attached the transcript for your review.

Please let me know if there's anything else that you need at this time.

Best regards,

Good afternoon Mr. Crane,

I apologize it's taken me so long to get back to you; I didn't forget your request for the transcript. We're working on getting you the transcript from the public hearing, we just had a legal question about sharing the transcript. I'll circle back around with you as soon as I get answers.

Please let me know if you need any additional information at this time.

Best regards,

Mr. Rowsey,

Will a transcript of yesterday's (2/2) virtual public hearing (regarding the Roulette UIC Class II injection well permit) be made available on the EPA website?

Thanks,
